

Control...

Raise the bar on product management with Eureka Connect Management Software.

Eureka Connect Version 4.0 Retail Management Software is a package designed for those people who want extremely basic connectivity to the scales in their business. With links to a number of scale manufacturers, Eureka has become the system of choice for many retailers across the U.K. and Ireland. A brief overview of some of the functionality of this version can be seen below.

Software Features

Easily enter your products and prices using [simple wizards](#).

Send product details including price changes quickly and easily to the scales.
